FAA Level 3 Award in Emergency First Aid at Work

This is a course in "Equestrian Specific" emergency first aid and is taught by health care professionals that deal with these equestrian related injuries on a daily basis. Where an organisation's risk assessment of First Aid needs identifies that there is a requirement for Emergency First Aid at Work practitioners, then this national Award in Emergency First Aid at Work satisfies the requirements of the regulatory body for First Aid - the Health and Safety Executive (HSE)..

This course is suitable for anyone working within the equestrian industry (Instructor, groom, eventer or horse owner) wishing to gain knowledge of emergency procedures and attain a recognised qualification in First Aid.

COURSE SYLLABUS INCLUDES

A range of subjects are covered including:

- Responsibilities and reporting
- Resuscitation and AED awareness
- Burns
- Assessment of the situation
- Anatomy
- Choking
- Dealing with an unresponsive casualty
- Minor injuries
- Epilepsy
- Basic hygiene in First Aid
- Bleeding control
- Shock

LOCATION

We are able to deliver this course on your site, subject to a pre-course assessment of your premises, reducing your costs in respect of additional time out and travelling.

CERTIFICATION

Practical assessment is ongoing by the instructor, and a three year qualification will be issued to those who satisfy the criteria. In addition, the HSE strongly recommend that all students undergo an annual refresher programme of three hours.

NUMBERS

A maximum of 12 students can be accommodated on this course and all learners must be a minimum of 14 years of age.

A student cannot assume a responsibility in the workplace until they reach the age of 16, and then it is the employer's responsibility to ensure that the student is suitable for that role. The certificate will expire as dated on the certificate, irrespective of age.

DURATION

A minimum of six contact hours in the classroom, consisting of practical and theoretical activities, plus some pre-course activity could be required.
